The Admission Journey

Step 1-2

Discover & Enquire

A parent searches for a school, finds you on Google, Maps or AI, and fills the enquiry form.

Step 3-4

Visit & Apply

They tour the campus and apply for a seat. WhatsApp follow-ups and reminders keep them moving.

Step 5

Admission

Seat confirmed. We nurture every enquiry all the way to a confirmed admission.

We engineer every stop, so fewer parents drop off and more reach admission.

Parents Ask AI First

AEO · GEO · AI Overviews

More parents now start admission research in ChatGPT, Perplexity or Google's AI Overview. We make sure your school is the answer: named, cited and trusted.

- Answer-ready content for board, area & grade queries
- Schema & entities so AI tools cite your school
- A review profile that earns the click

How We Grow Enquiries

- Target parents by area, board and grade with high-intent campaigns
- Capture them with clear landing pages and a simple enquiry form
- Optimise toward school visits, not raw form-fills
- Start 3–4 months before the admission window opens

Channels: Google Search & Ads, map pack, Meta ads, reviews, Instagram & YouTube
